We received this message on our Facebook account dating back 40 years!!

What a joy to enjoy the "lasting fruit" of lifelong ministry.

Thank YOU for making it possible.

Hi Marty!

"How wonderful to see you after all of these years! You may not remember me but I accepted the Lord many, many years ago at the Christian Missionary Alliance Church in Ballston Spa when you were training the youth on how to use "the 4 Spiritual Laws" booklet to go door to door witnessing. THANK YOU!!

I then attended Campus Life when you were leading it. I married young and you were there for me as the marriage fell apart after only months. You also employed me at the office in Loudonville for awhile during that marriage. I have thought of you so many times over the years. You look well. Anyway, I am sure that there are so many that have this same testimony but I was so happy to see you and so happy that I have a chance to say "thank you", "thank you", "thank you!" Because of you and your willingness to serve Jesus..... I am here, in the family....."

PERSONAL NOTES

So far this summer we have enjoyed many visits to and from our children and grandchildren, all who live in North Carolina. And since both our moms and other family members still live in Upstate New York, we try to find time to visit there as often as possible. We are looking forward to attending Marty's 45th High School Reunion over Labor Day in the small town where we met each other and graduated from high school. Next year will be Jerrye's turn for the same anniversary. Speaking of anniversaries, we are celebrating our 42nd wedding anniversary during the last week of this month.

We want to say "thank you" again and again to all of you who pray, support and volunteer in this ministry. We are currently enabling 25 ministry outreach programs through Faith in the Family. And humanly speaking, it is because of you!

AUGUST MATCH OF THE MONTH

**DONATE
NOW**

We need your
support

We have had a heartening response to our Match of The Month Campaign, where we are encouraging donations as matching gifts. Just this week we received a \$500 challenge gift for August.

Have you got a match? Perhaps \$100, \$50, \$25, or any other amount. Whatever you can do will be appreciated. There are two ways to give. Send a check made out to FFI to PO Box 2753, Springfield, VA or donate online at www.faithinthefamily.org/online donation.asp.
